Dr. Canavero:

The Clark County School District would like to request approval from the Nevada State Board of Education for additional courses from the Nevada System of Higher Education (NSHE) for which high school credit can be granted. I would appreciate if this item could be considered for the April, 27, 2017 Nevada State School Board Agenda.

This item, for high school credit for courses taken concurrently through the Nevada System of Higher Education for high school students, was approved by the CCSD Board of Trustees on January 26, 2017.

Attached is the CCSD board item with the courses that were approved for high school dual credit. Thank you for this consideration and processing of this board item. Please let me know if I can be of further assistance with this process.

Sincerely,

Kathy Mead
Director, Guidance and Counseling Services
